

Social Innovations

God inspires us with specific ideas or projects. We rely on His wisdom and guidance to design and test the ideas we get. We then implement the ideas in the field.

GOAL

We want to prepare for Jesus' return. While doing that, we trust Him to guide us in common initiatives to fulfil His plans for our lives.

The Vision

Objective 1

Answer the question: Who are you Lord?

Objective 2

Answer the question: What do you want me to do, Lord?

Objective 3

Do what the Lord wants me to do.

Strategy

Faith & Works must balance each other
